PART 9 - SELECTION PROCEDURES

Proposals will be evaluated by King County to determine which proposal, if any, should be accepted in its best interest. An evaluation team shall review the proposals, discuss, assess and rank the proposals according to the evaluation criteria. These rankings will be used to determine if there is a single proposal that clearly is the most advantageous offer. If so, King County may proceed with an award to that proposer. It is pointed out that nothing in these procedures shall be interpreted to require King County to award a contract to the lowest cost proposer.

As described above, if a single most advantageous proposal is not so readily determined, then the Evaluation Committee will use the rankings to determine which proposals fall within a competitive range. The competitive range will depend upon the results of the rankings. It may be a clustering of proposals having scores close to one another but widely separated from the others or it may be those proposals that attain scores exceeding a

certain threshold.

Proposers falling within the competitive range may be invited to participate in meetings and discussions. Each may be invited for an interview with the Evaluation Committee to discuss both the Technical Proposal and Price Proposal and answer specific questions. These questions may be provided in advance in writing and/or be oral. The purpose of each meeting will be to clarify and assure understanding of the requirements of the contract, improve the technical aspects of the offer in an effort to better meet specifications and/or reduce the price, question any cost data provided and any such discussion relevant only to each proposal separately that may improve the proposal both technically and economically in the interest of King County.

PART 10 - GENERAL CONDITIONS

The Contractor will permit access by the County to the Contractor's records of employment, employment advertisements, application forms, other pertinent data and records related to this Contract for the purpose of monitoring and investigation to determine compliance with these requirements.
- D. The Contractor shall implement and carry out the obligations contained in its Affidavit and Certificate of Compliance regarding equal employment opportunity. Failure to implement and carry out such obligations in good faith may be considered by the County as a material breach of this Contract and grounds for withholding payment and/or termination of the Contract and dismissal of the Contractor.
- E. The Contractor shall comply fully with all applicable federal, state and local laws, ordinances, executive orders and regulations that prohibit such discrimination. These laws include, but are not limited to, RCW Chapter 49.60 and Titles VI and VII of the Civil Rights Act of 1964.
- F. During the performance of this Contract, neither the Contractor nor any party subcontracting under the authority of this Contract shall engage in unfair employment practices. It is an unfair employment practice for any:

 - 4. Employment agency to discriminate against any person with respect to any reference for employment or assignment to a particular job classification;
 - 5. Employer, employment agency or a labor organization to retaliate against any person because this person has opposed any practice forbidden by KCC Chapter 12.18 or because that person has made a charge, testified or assisted in any manner in any investigation, proceeding or hearing initiated under the provisions of KCC Chapter 12.18;

6. Publisher, firm, corporation, organization or association printing, publishing or circulating any newspaper, magazine or other written publication to print or cause to be printed or circulated any advertisement with knowledge that the same is in violation of KCC Chapter 12.18.030C., or to segregate and separately designate advertisements as applying only to men and women unless such discrimination is reasonably necessary to the normal operation of the particular business, enterprise or employment, unless based upon a bona fide occupational qualification; and/or
7. Employer to prohibit any person from speaking in a language other than English in the workplace unless:
 - a. The employer can show that requiring that employees speak English at certain times is justified by business necessity, and

- B. Non-Discrimination. During the term of this Contract, the Contractor shall not create barriers to open and fair opportunities to participate in County contracts or to obtain or compete for contracts and subcontracts as sources of supplies, equipment, construction and services. In considering offers from and doing business with sub-contractors and suppliers, the Contractor shall not discriminate against any person on the basis of race, color, creed, religion, sex, age, nationality, marital status, sexual orientation or the presence of any mental or physical disability in an otherwise qualified disabled person.

The County encourages the following practices to promote open competitive opportunities for small businesses including M/WBEs:

1. Attending a pre-bid or pre-solicitation conference, if scheduled by the County, to provide project information and to inform M/WBEs and other firms of contracting and subcontracting opportunities.
2. Placing all qualified small businesses attempting to do business in King County, including M/WBEs, on solicitation lists, and providing written notice of subcontracting opportunities to M/WBEs and all other small businesses capable of performing the work, including without limitation all businesses on any list provided by the County, in sufficient time to allow such businesses to respond to the written solicitations.

SECTION IV - GENERAL CONTRACT REQUIREMENTS

PART 1: TERMINATION CLAUSES

- A. This Contract may be terminated by the County without cause, in whole or in part, upon providing the Contractor ten (10) calendar days' advance written notice of the termination.

If the Contract is terminated pursuant to this Section IV, paragraph A: (1) the County will be liable only for payment in accordance with the terms of this Contract for services rendered prior to the effective date of termination; and (2) the Contractor shall be released from any obligation to provide further services pursuant to the Contract.

- B. The County may terminate this Contract, in whole or in part, upon five (5) calendar days' advance written notice in the event: (1) the Contractor materially breaches any duty, obligation, or services required pursuant to this Contract, or (2) the duties, obligations, or services required herein become impossible, illegal, or not feasible.

If the Contract is terminated by the County pursuant to this Subsection IV(B) (1), the Contractor shall be liable for damages, including any additional costs of procurement of similar services from another source.

If the termination results from acts or omissions of the Contractor, including but not limited to misappropriation, nonperformance of required services or fiscal mismanagement, the Contractor shall return to the County immediately any funds, misappropriated or unexpended, which have been paid to the Contractor by the County.

- C. If expected or actual funding is withdrawn, reduced or limited in any way prior to the termination date set forth above in Section II or in any amendment hereto, the County may, upon written notice to the Contractor, immediately terminate this Contract in whole or in part.

If the Contract is terminated pursuant to this Section IV, paragraph C: (1) the County will be liable only for payment in accordance with the terms of this Contract for services rendered prior to the effective date of termination; and (2) the Contractor shall be released from any obligation to provide further services pursuant to the Contract.

Funding under this Contract beyond the current appropriation year is conditional upon appropriation by the County Council of sufficient funds to support the activities described in this Contract. Should such an appropriation not be approved, this contract will terminate at the close of the current appropriation year.

- D. Nothing herein shall limit, waive, or extinguish any right or remedy provided by this Contract or law that either party may have in the event that the obligations, terms and conditions set forth in this Contract are breached by the other party.

PART 2: INDEMNIFICATION AND HOLD HARMLESS

- A. In providing services under this Contract, the Contractor is an *independent contractor*, and neither the Contractor nor its officers, agents or employees are an employee of the County for any purpose. The Contractor shall be responsible for all federal and/or state tax, industrial insurance, and Social Security liability that may result from the performance of and compensation for these services and shall make no claim of career service or civil service rights which may accrue to a County employee under state or local law.

The County assumes no responsibility for the payment of any compensation, wages, benefits or taxes to, or on behalf of, the Contractor, its employees or others by reason of this Contract. The Contractor shall protect, indemnify and save harmless the County, its officers, agents and employees from and against any and all claims, costs and/or losses whatsoever occurring or resulting from 1) the Contractor's failure to pay any such compensation, wages, benefits or taxes; and 2) the supplying to the Contractor of work, services, materials and/or supplies by Contractor employees or other suppliers in connection with the performance of this Contract.

- B. The Contractor further agrees that it is financially responsible for and shall repay the County all indicated amounts following an audit exception which occurs due to the negligence, intentional acts or failure for any reason to comply with the terms of this Contract by the Contractor, its officers, employees, agents and/or representatives. This duty to repay the County shall not be diminished or extinguished by the prior termination of the Contract pursuant to the Duration of Contract, or the Termination section.
- C. The Contractor shall protect, defend, indemnify, and save harmless the County, [and the State of Washington (when any funds for this Contract are provided by the State of Washington)] their officers, employees, and agents from any and all costs, claims, judgments, and/or awards of damages, arising out of or in any way resulting from the negligent acts or omissions of the Contractor, its officers, employees, and/or agents. The Contractor agrees that its obligations under this subparagraph extend to any claim, demand and/or cause of action brought by or on behalf of any of its employees or agents. For this purpose, the Contractor by mutual negotiation, hereby waives, as respects the County only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW. In the event that County incurs attorney fees and/or costs in the defense of claims, for damages within the scope of this section, such fees and costs shall be recoverable from the Contractor. In addition King County shall be entitled to recover from the Contractor fees, and costs incurred to enforce the provisions of this section.

Claims shall include, but not be limited to, assertions that the use or transfer of any software, book, document, report, film, tape, or sound reproduction or material of any kind, delivered hereunder, constitutes an infringement of any copyright, patent, trademark, trade name, or otherwise results in unfair trade practice.

Nothing contained within this provision shall affect and/or alter the application of any other provision contained within this agreement.

Further, the selected Contractor shall furnish Professional Liability: Errors and Omissions in the amount of \$1,000,000 per claim/Aggregate.

Such policy/policies shall endorse King County, and its appointed and elected officials, officers, agents and employees as additional insureds.

King County reserves the right to approve deductible/self-insured retention levels and the acceptability of insurers.

PART 4: CORRECTIVE ACTION

If the County determines that a breach of contract has occurred, that is the Contractor has failed to comply with any terms or conditions of this Contract or the Contractor has failed to provide in any manner the work or services agreed to herein, and if the County deems said breach to warrant corrective action, the following sequential procedure will apply:

- A. The County will notify the Contractor in writing of the nature of the breach;
- B. The Contractor shall respond in writing within three (3) working days of its receipt of such notification, which response shall indicate the steps being taken to correct the specified deficiencies. The corrective action plan shall specify the proposed completion date for bringing the Contract into compliance, which date shall not be more than ten (10) days from the date of the Contractor's response; unless the County, at its sole discretion, specifies in writing an extension in the number of days to complete the corrective actions;
- C. The County will notify the Contractor in writing of the County's determination as to the sufficiency of the Contractor's corrective action plan. The determination of sufficiency of the Contractor's corrective plan shall be at the sole discretion of the County;

- D. In the event that the Contractor does not respond within the appropriate time with a corrective action plan, or the Contractor's corrective action plan is determined by the County to be insufficient, the County may commence termination of this Contract in whole or in part pursuant to Section IV.B;
- E. In addition, the County may withhold any payment owed the Contractor or prohibit the Contractor from incurring additional obligations of funds until the County is satisfied that corrective action has been taken or completed; and

- B. "Subcontract" shall mean any agreement between the Contractor and a Subcontractor or between Subcontractors that is based on this Contract, provided that the term "subcontract" does not include the purchase of (i) support services not related to the subject matter of this contract, or (ii) supplies.

The successful Contractor, bidder or proposer shall be required to complete a Worksheet and Declaration form. Compliance with Ordinance 14823 is a mandatory condition for execution of a contract. The EB Compliance forms are available online at: <http://metrokc.gov/procurement/forms/eb.aspx>.

3. The King County Board of Ethics maintains a website that provides information regarding King County ethics requirements. To review specific areas of the Code of Ethics that relate to contractors and vendors, follow this path: <http://www.metrokc.gov/ethics/>, and access 1) The Code of Ethics, "Employee Code of Ethics 3.04", and 2) Advice and Guidance "Doing Business with Contractors, Vendors, Clients and Customers". It is the policy of King County to use recycled materials to the maximum extent practicable (King County Code Chapter 10.16). If the cost of recycled paper is more than fifteen percent higher than the cost of non-recycled paper, the Contractor may notify the Contract Administrator, who may waive the recycled paper requirement. The Contractor shall use both sides of paper sheets for copying and printing and shall use recycled/recyclable products wherever practical in the fulfillment of this Contract.

D. Proprietary Rights

The parties to this Contract hereby mutually agree that if any patentable or copyrightable material or article should result from the work described herein, all rights accruing from such material or article shall be the sole property of the County.
